Special Features

The core material of all four string lines, Evah Pirazzi Gold, Evah Pirazzi, Obligato and Violino consists of a new synthetic material that we have co-developed with our supplier and which we obtain exclusively.

We are convinced that this new core material is superior to other synthetic materials and steel because:

- it offers an unmatched wide range of sounds,
- absolutely insensitive to variations in temperature and humidity, and
- it offers musicians an unknown dynamic range.

In combination with our newest production techniques we are now able to offer a new family of strings, which offer:

- a complex tone, rich with overtones;
- bring out finest nuances in pp and great depth in ff;
- great playability;
- outstanding response and
- outstanding tuning stability
- which can be used in any environment no matter the degree of humidity or changes of temperature.
